**Creative Writing & Personal Development**

---

A series of workshops covering personal and social development using creative writing, spoken word performances and discussion around key topics such as

- Self Esteem
- Gangs (knife crime, county lines)
- Identity
- Purpose (goal setting, visualisation, affirmation)
- Relationships (CSE, peer pressure, family, network)
- Entrepreneurship (achieving against the odds)

Workshops include powerful guest speakers considered credible messengers with skills in engaging, motivating and transforming hard to reach groups, particularly young people at risk of gangs and negative lifestyle choices.

Minimum 6 sessions, able to tailor make to suit establishment.

AQA Qualification available.
